**PLAINTIFF'S UNOPPOSED MOTION FOR CONTINUANCE**  
**AND REQUEST FOR SPECIAL TRIAL SETTING**

**TO THE HONORABLE JUDGE OF SAID COURT:**

COMES NOW PLAINTIFF, Samuel G. Breitling, hereby moving the Court to continue the current trial setting of March 21, 2016, in the above-entitled and numbered cause. In support thereof, the Parties would respectfully show the Court the following:

**I. PRIOR TRIAL SETTING**

This matter was scheduled for jury trial on January 11, 2016. Both Plaintiff and Defendant announced ready for trial. However, the Honorable Phyllis Lister Brown was unexpectedly ill the week of January 11, 2016 and a Visiting Judge Ted Akin was summoned to hear the case. Defendant objected to Judge Akin and, therefore, the case was removed from the Court's January 11, 2016 trial docket.

**II. NECESSITY OF CONTINUANCE & GOOD CAUSE**

This case arises from a motorcycle accident that took place on October 20, 2012. The Parties have conducted discovery, including oral depositions. The parties are ready for trial. However, Plaintiff, who is 70 years old, now resides near Houston, Texas and is unable to travel to Dallas the week of March 21, 2016 as he is the primary care giver for his adult son who suffers from Downs Syndrome and Plaintiff cannot locate an adequate replacement care giver at this time. For this reason, Plaintiff is unable to attend jury trial in Dallas the week of

March 21, 2016. This motion is not presented for purposes of delay only, but so that justice may be done.

### III. PRAYER

WHEREFORE, PREMISES CONSIDERED, for the reasons set forth above, the Parties respectfully request that the March 21, 2016 trial setting be continued and that this case be specially set for jury trial on June 13, 2016, or the Court's first available special setting thereafter, and for such further relief to which they may be justly entitled.

Respectfully Submitted,
